

SPECIAL ORDER NO. 40

July 30, 2009

SUBJECT: TRAINING GROUP - DEACTIVATED;
INCIDENT MANAGEMENT SUPPORT DIVISION - ACTIVATED;
INCIDENT MANAGEMENT AND TRAINING BUREAU
RESPONSIBILITIES - CLARIFIED; ORGANIZATIONAL
CHANGES FOR POLICE TRAINING AND EDUCATION; AND THE
RENAMING OF ENTITIES WITHIN INCIDENT MANAGEMENT AND
TRAINING BUREAU

EFFECTIVE: IMMEDIATELY

PURPOSE: This Order deactivates Training Group and assigns all responsibilities previously assigned to Training Group directly to Incident Management and Training Bureau (IMTB); activates Incident Management Support Division (IMSD); announces the organizational changes for Police Training and Education; and renames entities within Incident Management and Training Bureau.

PROCEDURE: Training Group has been deactivated, and Incident Management Support Division (IMSD) has been established. However, IMSD is in no way intended to absorb those responsibilities previously assigned to Training Group. Organizational changes within Police Training and Education have been implemented.

- I. INCIDENT MANAGEMENT AND TRAINING BUREAU RESPONSIBILITIES - CLARIFIED.** The Commanding Officer, IMTB, is responsible for executing line command over the operations of Training Division; IMSD; Police Training and Education; and performs the following functions:
- * Acts as initial liaison with federal, state, and local agencies responsible for "All Hazard/All Risk" incidents;
 - * Uses Department subject matter experts to develop and coordinate incident management strategies, tactics and training consistent with the National Response framework, National Incident Management System, Standardized Emergency Management System, California State mandates, and Department policies;
 - * Inspects Department preparations and responses to special events and unusual occurrences;

- * Uses Department subject matter experts to develop, coordinate, and maintain the Department's Mobile Field Force (MFF), crowd management, and incident management strategies, tactics, and training;
- * Provides subject matter expertise to the Department regarding special event and unusual occurrence management;
- * Trains incident management staff for selected events in conjunction with Special Operations Bureau (SOB) and Counter Terrorism and Criminal Intelligence Bureau (CTCIB);
- * Designated as Department coordinator of Mobile Field Force training; and,
- * Coordinates the testing and evaluation of ALL weapons to be approved for use by Department personnel, including all specialized units and divisions, and makes the final decision regarding any and all weapons approved for Department use.

II. **TRAINING GROUP - DEACTIVATED.** Department Manual Section 2/296.10 designated Training Group within IMTB's chain of command. Training Group has been deactivated and subsequently eliminated from the chain of command within IMTB. However, none of the responsibilities previously assigned to Training Group have been eliminated from IMTB's purview. All correspondence and queries previously addressed to Training Group shall now be addressed directly to IMTB. Incident Management and Training Bureau will disseminate all such correspondence and queries to the relevant entities within its command.

III. **INCIDENT MANAGEMENT SUPPORT DIVISION - ACTIVATED.** Incident Management Support Division, IMTB, has been activated and reports to the Commanding Officer, IMTB. The responsibilities of IMSD are as follows:

- * Develop, coordinate, and maintain the Department's Mobile Field Force, crowd management, and incident management strategies, tactics, drills, exercises, and training;
- * Train incident management staff for selected events in conjunction with SOB and CTCIB;
- * Assist other Department entities when it is beyond their capabilities to police planned special events or spontaneous incidents;

- * Evaluate procedures, tactics, and techniques to be employed during disasters and other emergencies using subject matter experts;
- * Evaluate the Unusual Occurrence After-Action Reports, Form 14.50.00, Unusual Occurrence Histories, Special Events Critiques, Journals, and other reports related to unusual occurrences for consideration in future planning and training;
- * Evaluate lesson plans intended for emergency control exercises and incident management training for Department personnel;
- * Evaluate tactical equipment to be used in the control of disasters and other emergencies in conjunction with SOB;
- * Provide First Responder Awareness training to Department employees regarding Weapons of Mass Destruction - Nuclear, Biological, Chemical; and,
- * Inspect Department preparations and responses to special events and unusual occurrences to include on-site inspections of Incident Command Post and field deployment during pre-planned and spontaneous events.
